Directions for Use

To Use Applicator Tip:

Take the cap off the Hydrocortisone Cream tube.
Take an applicator and screw it onto the tube.
Squeeze the tube gently to apply the cream.
Discard applicator tip after use.

To Use Finger Protectors:

Take a finger protector and roll it over your finger.
Squeeze the tube gently and apply the cream
onto the finger protector. Smoothly apply a layer
of the cream over the affected area.

Rx Only

FOR EXTERNAL USE ONLY
NOT FOR OPHTHALMIC USE
